RULES OF THE DEMOCRATIC PARTY OF TEXAS

ARTICLE I STATEMENT OF PRINCIPLES

The Texas Democratic Party hereby adopts the following Statement of Principles as the foundation for Party activities at all levels:

A. Beliefs

We believe that the Democratic Party, with its great diversity, its flexibility of organization, its historic adaptability to fruitful change, and its instinctive responsiveness to human needs and aspirations, can provide the leadership required in these challenging times. We further believe:

1. That we must join together with a renewed faith in our country, in our state, and in our Party to provide our people with responsive, responsible government;
2. That government functions best when it is closest to the people;
3. That our government is and should be of laws and not of favoritism or of arbitrary caprice, and therefore we condemn any resolution of conflicts, save through legal processes;
4. That the Texas Democratic Party stands for law and order, for total and unceasing war against crime, for strengthening law enforcement agencies, and for justice under law;
5. That all citizens, no matter what their religion or race or how humble or exalted their origin or station, have the duty to participate fully at every level of government and are entitled to an equal voice and to equal treatment at its hands;
6. That all Democrats are bound to defend, to protect, and to honor our nation, our state, and our Party, and that when they are right, it is our privilege to sustain them, but when they err, it is our duty to correct them; and
7. That, as Democrats, we are proud and upright citizens of the United States, that we are determined not only to serve our country, but also to stand shoulder to shoulder with citizens of other states in providing meaningful, responsible, and constructive leadership for our great nation.
8. That the Democratic Party stands against sexual harassment and abuse within its ranks.
9. That retaliation, in any form, express or implied, against any person who reports sexual harassment or abuse within the Democratic Party ranks is not tolerated.
10. That the Texas Democratic Party should endeavor to raise all funds for its operations and campaigns from entities and individuals who are aligned with the platform and values of the Party.

B. Declarations

To achieve these principles, we hereby make these declarations and adopt the following Rules to govern Party activities at all levels:

1. No test of membership in, nor oaths of loyalty to, the Texas Democratic Party shall be required or used if it has the effect of requiring prospective or current members of the Democratic Party to acquiesce in, condone, or support discrimination on the grounds of race, sex, sexual orientation, gender identity, age, color, creed, national origin, religion, ethnic identity,

economic status or disability. Further, discrimination on the grounds of race, sex, sexual orientation, gender identity, age, color, creed, national origin, religion, ethnic identity, economic status or disability in the conduct of the Democratic Party affairs is prohibited.

E. County Executive Committee

1. Members.

- a. Each county shall have a County Executive Committee composed of a County Chair and of one Precinct Chair from each election precinct in the county. (Required by Texas Election Code §171.022)
- b. The County Chair shall be elected by majority vote and precinct chairs shall be elected by plurality vote in the Party Primary Election held in even-numbered years. The County Chair shall be elected by the qualified voters of the county, and the Precinct Chairs by the qualified voters of their respective precincts. . (Allowed by Texas Election Code §171.022)
- c. The term of office for members of the County Executive Committee shall begin on the twentieth day following the Runoff Primary and shall continue for two years or until their successors are elected and certified. (Required by Texas Election Code §171.022(c))
- d. Acting Precinct Chair Appointment Upon Failure of the Elected Chair to Perform Duties.
 - (1) If an incumbent Precinct Chair has failed to perform his or her duties for an extended period of time or missed three consecutive county executive committee meetings, the County Chair may appoint an Acting Precinct Chair. The County Chair may determine if such lack of performance of the incumbent Precinct Chair's duties or the incumbent Precinct Chair's three consecutive absences rise to a level to give written notice to the incumbent Precinct Chair to start the process of appointing an Acting Precinct Chair.
 - (2) The incumbent Precinct Chair must be given written notice by registered mail that an Acting Precinct Chair will assume the duties of the Precinct Chair for the remainder of the Precinct Chair's term. The written notice must include the specific performance of duty for an extended period of time that the incumbent Precinct Chair is alleged to have neglected or failed to perform or the specific three consecutive county executive committee meetings the incumbent Precinct Chair has missed. The notice must include an outline of how the County Chair came to his or her determination that it warranted an Acting Precinct Chair's appointment and that if an Acting Precinct Chair were to be appointed the incumbent Precinct Chair would still maintain his or her statutory responsibilities. The written notice must specifically include the mailing address where a response to the written notice may be made. The written notice must also specifically note that the incumbent Precinct Chair has ten business days to respond and that the incumbent Precinct Chair may at any time notify the County Chair that the incumbent Precinct Chair will resume performing any of the duties of the Precinct Chair. The written notice must include a copy of the Party Rule's Article III, Section E (1)(d). A defect in the written notice would invalidate the process and require the County Chair to reissue correct written notice and restart the ten business days response time in order to cure such defects.
 - (3) If the incumbent Precinct Chair does not respond in writing within ten business days

of the written notice, the Acting Precinct Chair may be appointed by the County Chair and shall assume the non-statutory responsibilities of the incumbent Precinct Chair, including participation in executive committee meetings and votes. These duties, however, shall not include participating in any votes or actions required by state statute. A County Chair can only appoint an Acting Precinct Chair if the incumbent Precinct Chair does not respond to the written notice within ten business days. An Acting Precinct Chair must meet all the qualifications by statute of a Precinct Chair.

- (4) If the incumbent Precinct Chair notifies the County Chair within ten business days of the written notice, then the County Chair cannot appoint an Acting Precinct Chair and the incumbent Precinct Chair still retains all duties and responsibilities of a precinct chair. Any written response, short of the incumbent Precinct Chair's resignation would be a sufficient response to the written notice.
- (5) The incumbent Precinct Chair shall always have voting authority over the Acting Precinct Chair. If the incumbent Precinct Chair notifies the County Chair any time after the ten business days of the written notice, even after the appointment of an Acting Precinct Chair, that that incumbent Precinct Chair will resume performing his or her duties, then the Acting Chair shall defer to the elected incumbent Precinct Chair in all duties and responsibilities and the position of Acting Precinct Chair shall be vacated. The County Chair shall notify the Acting Precinct Chair in writing that the Precinct Chair is resuming his/her duties. The County Chair shall encourage the volunteer formerly serving as Acting Precinct Chair to continue any activity related to voter education, registration, voter identification, and get-out-the-vote effort in the precinct and make available to the volunteer any material, data system, or similar information or material.
- e. A County Chair or Precinct Chair who has been elected by the voters or has been appointed to fill a vacancy must be posted to the website of the Secretary of State. The County Chair, County Executive Committee Secretary, or their designee shall add any Chair who is appointed and remove any Chair who resigns, dies or is removed from office during the term of their office. The list as posted on the Texas Secretary of State website shall be the official members of the County Executive Committee for all purposes outlined under these Rules and Texas statutory requirements.

Eligibility to Vote on Replacements of County Chair or Candidate on the Ballot

- (1) When due to the death, resignation, withdrawal, declaration of ineligibility, creation of a new office, or any other reason, a vacancy occurs in the office of County Chair or for the nomination of any office on the ballot and a county, district, or precinct executive committee is permitted or required by law to elect a new County Chair or nominate a replacement candidate for the ballot for the other office, the precinct chairs eligible to vote in the executive committee meeting to fill the vacancy are only those precinct chairs who are posted on the Secretary of State website on the date the vacancy occurred or on the twenty-fourth day after the last preceding runoff primary election day, whichever date is later.
- (2) Any precinct chairs appointed after the date of the vacancy and before the vote to fill the vacancy may participate in any discussion or debate but are ineligible to vote in the replacement election.

 - c. The combined amount of any compensation paid from the Primary fund to the Secretary and the Chair for their services shall be more than \$300.00 but in no case exceed the lesser of \$8,000.00 or 5% of the amount actually spent for necessary expenses in holding the Primary Election for that year, exclusive of the compensation paid to the Chair and Secretary. (Required by Texas Election Code §173.004)

- a. They are qualified voters (Required by Texas Election Code §161.005 (a)(1)) and voted in the most recent Democratic Primary, not including runoffs, or signed an oath of affiliation:

Oath of Affiliation:

The petition shall contain the candidate's sworn oath that the signatures thereon are valid and that each was signed in the presence of the candidate or candidate's representative. (Required by Texas Election Code §172.021(f)).
- c. The application, and petition, if applicable, shall be signed and duly acknowledged by the candidate and then filed with the County Chair or with the Secretary of the County Executive Committee if there is one. (Required by Texas Election Code §§171.022(a) (2), 172.021 and 172.023). A copy of the petition (if applicable) also shall be filed with the State Chair.
- d. The application shall state the candidate's occupation, county of residence, post office address, date of birth, and the office sought. The petition (if applicable) shall include the Precinct Chair's signature, name, post office address and precinct number. A Precinct Chair may not sign the petition of more than one candidate for the same office in the

same election. (Required by Texas Election Code 141.066) By signing the petition, the Precinct Chair is supporting the County Chair candidate's appearance on the primary ballot, not the actual candidate.

- e. Applications, and petitions, if applicable, shall be filed no later than 6 p.m. on the deadline for candidate filing for the Primary Election. This deadline shall be extended until the next working day if it falls on a weekend or a holiday.
- f. An application filed by mail is considered to be filed at the time of its receipt by the appropriate authority. (Required by Texas Election Code §172.021(c):

- a. When a vacancy occurs in the office of County Chair, the Secretary of the County Executive Committee shall call a meeting to fill the vacancy at any time after it occurs. Upon the written request of any Committee member, however, the Secretary shall call a meeting for a date not more than 20 days after receiving the request, giving each member notice of the time, place, and purpose. If the committee does not have a Secretary or should a Committee Secretary fail to act after being requested in writing to do so, the State Chair shall call the meeting in like manner. The officer calling the meeting shall designate a committee member Temporary Chair who shall call the meeting to order and preside until the new Permanent Chair is elected. (Texas Election Code §171.025) An application of candidacy shall be submitted to the Secretary prior to the election. A majority of the committee's membership must participate in filling a vacancy in the office of county chair. To be elected, a person must receive a favorable vote of a majority of the members voting. (Texas Election Code 171.024)

After the CEC fills the vacancy, the County Chair or Secretary of the CEC shall notify the State Party Chair or that person's designee of the effective date the vacancy was filled.

- b. A County Chair may appoint a person to fill a precinct vacancy at any time. A County Chair shall delete from the Secretary of State website the name of any County Executive Committee Member who resigns, dies, or vacates the position. The appointed chair shall assume the position upon appointment. The County Executive Committee shall confirm those appointed at the next business meeting of the committee. Any appointment by the County Chair to fill a precinct chair vacancy shall be ratified by majority vote of the County Executive Committee at a meeting at which a 25% of the membership shall constitute a quorum; or the Executive Committee, when a business quorum is present may call for a vote by mail, listing the precinct chairs to be appointed on a published ballot sent to all of its membership, to be signed and returned by a stated deadline (in keeping with the requirement that the Texas Democratic Party does not permit secret ballots) and provided that the vote will not be valid unless 25% of the membership have returned their signed ballots. [Optional by Texas Election Code §171.024] If there is an additional candidate at the time of a ratification vote, then the County Executive Committee shall default to conducting a precinct chair election per its rules, and not conduct a ratification vote of the County Chair's appointment. Notice of the replacement chair's name and address shall be promptly posted on the Secretary of State website after ratification by the executive committee if one exists. Until confirmed by the County Executive Committee, the appointed precinct chair has only the non-statutory responsibilities of a precinct chair.

- c. When the precinct boundaries are changed between primary elections and only one Precinct Chair resides within the new precinct, that Chair shall continue to serve in the new precinct until the end of the term of office. If no chair resides within the new precinct, the office automatically shall become vacant and shall be filled as provided herein. (Required by Texas Election Code §171.023) If a new precinct contains the residence of two or more incumbent precinct chairs in office within the new boundaries, the County Chair shall ask the incumbent chairs to make a decision by consensus by a date certain as to who shall complete the term as the precinct chair. For those precincts where the incumbent precinct chairs cannot or do not decide by that date, the County Chair shall appoint a committee to make recommendation(s) to the full county executive committee of the chairs to complete the term in the same manner as the county uses to fill a vacancy in a precinct chair office.
- d. Changes in precinct boundaries made by the Commissioners Court shall not become effective to alter membership of the County Executive Committee until February 1 after the changes are ordered. (Required by Texas Election Code §171.023)
- e. Removal of precinct chair or county chair for abandonment of office.

 - (3) If authorized by a resolution passed by the Democratic State Executive Committee, the State Chair may send a notice to a County Chair that states that the County Chair is considered to have abandoned the office of County Chair and the duties of the office. The notice must:
 - (a) state the reasons the state executive committee believes the County Chair has abandoned the office;
 - (b) be sent by certified mail; and
 - (c) request a response from the county chair not later than the seventh day after the date the county chair receives the notice.
 - (4) A Precinct or County Chair must respond to a notice under Subsection (2) or (3) on or before the seventh day after the date the chair receives the notice and state whether the Chair wishes to continue in office. A Chair's failure to respond and affirmatively state that the Chair wishes to remain in office results in a vacancy in the office of Precinct or County Chair, as applicable. The vacancy shall be filled as provided by these Rules.

- c. The County Executive Committee may establish such committees as it deems appropriate to carry out its non-statutory duties and may elect or appoint committee members who are not members of the County Executive Committee. Unless the County Executive Committee's continuing rules provide for such committees to elect their own Chair, the Chair of such committees may be elected or appointed by the County Executive Committee. The term of office of the Chair of such committees shall run concurrently with the term of office of the County Executive Committee.

Notice of such meeting, including an agenda of the business to be considered, shall be mailed or sent by electronic mail to all members of the county executive committee at least fourteen (14) days prior to the date of the meeting and shall state the time, date and place and the names of the persons issuing the call. 4. Either party may seek review of the decision or action taken by a County Chair by filing a written request with the State Chair within 10 days after receiving notice of the County Chair's decision.  - b. Whether the response filed by the Party Officer fairly and specifically denies the allegations in the complaint; and
 - c. Whether there are procedural deficiencies, including failure to follow the notice requirements, involving handling the complaint.

A District Committee may endorse a candidate in a special election, even if more than one Democrat is seeking election.
2. The District Committee shall be composed of the same members who would convene to fill a statutory ballot vacancy for the open office. The State Chair or the State Chair's designee shall

preside over the meeting, and a Secretary shall be elected by the Committee to keep and prepare minutes.

3. The Chair shall provide at least 72 hours notice of the meeting after learning a vacancy has occurred or shall occur. In no case shall a meeting be called later than 14 days after the actual occurrence of the vacancy.
4. As the first order of business, balloting for or against an endorsement shall be conducted by recorded roll call vote or signed paper ballot. If an endorsement is approved, the same procedure shall be utilized in voting on candidates for the endorsement.
5. A candidate receiving a two-thirds vote of those present shall become the endorsed Democratic Party candidate in the special election. If no candidate receives a two-thirds vote on the first ballot, balloting shall continue until one candidate receives a two-thirds vote. If no candidate has received a two-thirds vote after the fifth ballot, the low vote getter will be removed from the list of eligible candidates before the sixth ballot is taken and this procedure will continue with every succeeding ballot until one candidate receives a two-thirds vote. If a tie shall occur between the bottom two vote-getters on or after the fifth ballot, there will be a coin flip with the loser being removed from the eligible list before the next ballot. In the event that five ballots between only two candidates does not result in one candidate receiving a two-thirds vote, the candidate receiving the majority vote shall be endorsed. If an unresolvable tie occurs (one lasting through five ballots) between the top two vote-getters, then the meeting shall be adjourned and there shall be no formally endorsed Democratic Party candidate. A majority of the District Committee can petition the State Chair to re-convene the Committee at any time up to ten days prior to the election.
6. The District Committee's endorsed candidate will receive the help and support of the Democratic Party as if he or she were the Democratic nominee in the General Election. The provisions of the Party Rules allowing for removal of Party Officers for failure to support the Democratic nominee shall not apply to an officer supporting a Democrat other than the one endorsed through this process.

J. In any election to replace a county chair (or other party office) or for the nomination of the Party for any vacant office on the ballot, a majority vote of the applicable county, district, or precinct executive committee is required for election to the Party office or receive the Party's nomination for a place on the general election ballot. If no candidate for such Party office or Party nomination (as the case maybe) receives a majority vote of members voting in the first vote of the applicable executive committee, a runoff vote shall be conducted immediately and the procedures described in Texas Election Code § 2.023 shall be employed to govern the runoff vote and determine the Party officer or Party nominee, as the case may be.

K. No meeting of any executive committee at any level (county, district, or precinct) shall be conducted on a date when any Democratic Party Convention (including the Democratic National Convention) is being held and if such convention is in a county other than the county where the executive committee meeting is to occur, the executive committee meeting shall not occur on the day before or the day after the convention. Nothing in this Rule shall prohibit the holding of senatorial district caucuses held in connection with and as a part of a State convention, or meetings of the State Democratic Executive Committee at any time such meetings shall be called and scheduled.

If needed, an attendee may bring attendants or interpreters (language or sign language) of their choice, and the attendants and interpreters need not comply with the requirements of Article 4, Section B4 or be a delegate to the convention.
- g.** In any County or Senatorial District that contains one or more precincts subject to Subsection (f), the county or Senatorial district convention may be conducted in English and each such other language required by Subsection (f). Any vote that results in a tie shall be decided by a coin toss. All convention voting methods may be done electronically in addition to or to facilitate all voting methods prescribed for in these rules. Each convention committee may meet via telephone conference, video conference or electronic web platform, including prior to a convention. Guidance and procedures on these convention matters will be provided to convention chairs and delegates by the State Party Chair or their designee. Guidance and procedures may include alternate actions and activities such as: alternate or regional meetings on other dates or times; Online or mail ballots in the place of in-person voting at meetings. No person shall be permitted to hold or to vote a proxy for more than one county. A proxy for an absent county delegation must be filed in writing or by electronic means with the State Chair before the state convention is called to order at the meeting of the state executive committee. - f. A person otherwise qualified need not be present at the convention to be elected a Delegate. Although a precinct or grouped precincts might be allocated delegates, if no person is in attendance to participate in that convention, or if a precinct does not wish to elect delegates to fill any of their allocation, those delegate seats become automatically assigned to the Nominations Committee to fill as At-Large delegates.
- g. **Election Procedure In Precinct Conventions in Presidential Years.** In presidential years, delegates are elected proportionately to the number of supporters for a presidential candidate or uncommitted status. All qualified participants shall have entered their names, residence addresses, and cities or towns on the online pre registration or in person as they entered the Convention. In a presidential year, they shall also indicate their presidential preference or uncommitted status when they pre registered or signed in at the Convention. Any person who pre registered may change his or her presidential preference or uncommitted status at any point until the Chair of the County or Senatorial District Convention has announced that registration for precinct conventions has closed. This announcement must not occur earlier than the time the final person in line at the time the County or Senatorial Convention was called to order has completed their registration. When it is time in the Order of Business to elect Delegates to the State Convention, the procedure shall be as follows:
 - (1) The Precinct Convention Chair shall announce the number of eligible voting members in attendance and the number of Delegates the Convention is entitled to elect to the State Convention.
 - (2) Participants may nominate themselves or any qualified voter (Article IV.B.3) who resides in the precinct for the position of Delegate. Nominations shall be open from the floor until a motion is made, seconded, and passed by a two-thirds vote to close nominations. Each nominee for delegate must disclose his/her presidential preference. The Precinct Chair will confirm the preference from the roll.
 - (3) Each participant may cast a number of votes equal to the number of Delegates allocated to such Precinct. For example, if there are three positions to be filled, each participant may cast three full votes in any of the following manners:
 - (a) one vote for each of three candidates;
 - (b) two votes for one candidate and one vote for one other candidate: or
 - (c) three votes for a single candidate.

Persons receiving the highest number of votes shall be the Delegates elected by the Precinct Convention. In the case of a tie vote for Delegate, the Delegate shall be determined by lot or chance.
 - (d) If the number of persons wishing to be elected delegate is equal to or less than the

number of delegates the precinct is entitled to elect, the voting requirement in subsection (a) shall be suspended, and the slate of nominees may be elected by acclamation. If the attendees by consensus discussion develop a list of delegates to fill the precinct allocation, then said slate may be elected by unanimous consent without taking formal nominations and votes.

(e) Only a full vote may be cast; fractions of a vote are prohibited.

(f) Adjournment of convention.

11. Election Procedure in Non-Presidential Years. In Non-Presidential years the procedure shall be as follows:

- a. The Precinct Convention Chair shall announce the number of eligible voting members in attendance and the number of Delegates the Convention is entitled to elect to the State Convention.
- b. Participants may nominate themselves or any qualified voter who resides in the precinct for the position of Delegate. Nominations shall be open from the floor until a motion is made, seconded, and passed by a two-thirds vote to close nominations.
- c. Each participant may cast a number of votes equal to the number of Delegates allocated to such Precinct (or grouped Precinct) Convention. For example, if there are three positions to be filled, each participant may cast three full votes in the following manner:

(1) one vote for each of three candidates;

(2) two votes for one candidate and one vote for one other candidate: or

(3) three votes for a single candidate.

Persons receiving the highest number of votes shall be the Delegates elected by the Group. In the case of a tie vote for either Delegate, the shall be determined by lot or chance.

- d. If the number of persons wishing to be elected delegate is equal to or less than the number of delegates the precinct is entitled to elect, the voting requirement in subsection (a) shall be suspended, and the slate of nominees may be elected by acclamation. If the attendees by consensus discussion develop a list of delegates to fill the precinct allocation, then said slate may be elected by unanimous consent without taking formal nominations and votes.
- e. Only a full vote may be cast; fractions of a vote are prohibited.
- f. Adjournment of convention.

12. Determination of At-Large Delegates.

- a. The delegate nominations made by the precinct conventions shall be forwarded immediately to the Nominations Committee and shall be included in the list of Delegates to the State Convention. The Nominations Committee shall select other nominees for At-Large Delegates to bring the total to the full number authorized for the county or senatorial district. Following any additional nominations for At-Large Delegates which may be made from the floor subsequent to the Nominations Committee report, the Convention as a whole shall ratify the election of Delegates recommended by the precincts and shall elect the At-Large Delegates needed to complete the delegation.
- b. Upon the Chair's announcement of the closing of the period for registration for the Convention, results shall be tabulated by a committee appointed by the Convention Chair and composed of at least one person for each known presidential preference or uncommitted status. The Chair then shall announce the tabulation results to the convention by number and percentages of votes received by each presidential preference, including uncommitted. The tabulation then shall be written into the

permanent records of the Convention and shall be reported as part of the minutes. The preregistration and on-site registration documents shall be retained by the County or Senatorial District Chair as part of the official files of the Convention for at least six months. Such records shall be open to public inspection at reasonable hours upon request.

- c. All convention preregistration and on-site registration shall include all known presidential preferences and uncommitted status of registrants in presidential years, but shall not limit the right of any registrants or group of registrants to indicate their preference in any manner which they choose.
- d. The results of the presidential preference tabulation shall be used by the Nominations Committee and by the Convention as a whole as the basis for nominating and for electing At-Large Delegates so as to ensure the fairest possible representation of the Convention participants as a whole within the total delegation, without disturbing the Precinct Convention election results. The threshold will be the lowest allowed by the National Committee (which at present is 15%).

13. Election of Delegates to State Convention by Acclamation.

- a. When the Chair closes registration, and the Credentials Committee has made their report and the convention has accepted the roll of the convention, the Nominations Committee will announce the number of persons who have indicated upon signing in that they wish to attend the state convention. If that number is less than or equal to the number of delegates the county is allocated, then a motion may be made to suspend the precinct caucuses and the selection of at-large delegates and to elect all persons who have indicated a desire to attend the state convention by acclamation.
- b. If the delegation is still not filled after elections as set out in (a), the chair may entertain a motion to add the names of any person who pre-registered for attendance at the convention but is not present to the list of delegates to the state convention.
- c. Additional persons may be added for thirty days to complete the state delegation after adjournment of the convention by the convention chair until the number of allocated persons is reached. In a presidential year, the balance of presidential preference must be maintained to the greatest extent possible. Additional names submitted after the initial list shall be sent to the staff of the state party in electronic format including the delegate's name, address, and phone and email if available.

14. Appointment of Delegates by State Chair Where No Convention Held

If there is no county chair or if a county chair or a local person fails to hold a convention, the State Chair shall list all pre-registered persons as delegates to the state convention from the county. The chair shall give first priority to those persons who indicated they wished to attend the state convention on their pre-registration. If there are more pre-registered persons than delegate slots, the State Chair shall inquire, after the deadline for minutes to be submitted to the state party, by email to determine which person wishes to attend the state convention. 2. Notwithstanding anything in these Rules to the contrary, the laws of the State of Texas take precedence over these Rules in the event of a conflict, so long as application of those laws does not infringe on the Party's rights of self-government under the Constitutions of the United States and the State of Texas.
3. Without limiting the generality of the foregoing, any statute that burdens the Delegate selection process in such a way as to create a conflict with National Party Rules relating to Delegate selection or instruction shall not be given effect if, in the opinion of the SDEC, such statute would imperil the participation of the Texas Democratic Party in National Party affairs. ARTICLE VII NATIONAL DELEGATE SELECTION RULES

A. Delegates

1. In presidential years, the Party shall hold a presidential preference primary election (the "presidential primary") at the same time, in the same manner, and using the same ballot as for the general primary election (the "First Primary"). (Texas Election Code §191.004)
2. To qualify for a place on the presidential primary ballot, a candidate must:
 - a. Timely file all documents, if any, required by the Texas Affirmative Action Plan or the Texas National Delegate Selection Plan.
 - b. File an application for a place on the presidential primary ballot in accordance with the same Election Code provisions applicable to a candidate for the United States Senatorial, including submission of an appropriate petition subject to the limitations of Section 191.002 of the Texas Election Code or payment of the same filing fee. The oath on the application of a presidential candidate shall be:

"I, _____ (name), of _____ (city), _____ (county/ parish), _____ (state), being a candidate for the Office of President of the United States, swear that I will support and defend the Constitution and laws of the United States. I further swear that I will fully support the Democratic nominee for President, whoever that shall be."
3. The names of all candidates qualifying to appear on the presidential primary ballot shall be certified in accordance with Article III.C.1. of these Rules, except that the State Chair also shall certify all presidential preferences to the Secretary of State. The SDEC shall, at the meeting required in Article III.C.1., decide by majority vote whether to include "Uncommitted" as an alternative on the presidential primary ballot. (Texas Election Code §191.004)
4. Results of the presidential preference primary election shall be canvassed at the same time and in the same manner as for the First Primary, except that the SDEC shall also certify the results of the presidential preference primary election totaled by senatorial district.
5. The total number of Delegates and Alternates to the National Convention shall be that number allocated by the National Committee in its official Call to the Convention.

6. The process for selection of Delegates and Alternates to the National Convention shall be governed by the Texas National Delegate Selection Plan adopted by the SDEC for the presidential year. If the Plan and these Rules conflict as relates to the selection of Delegates and Alternates to the National Convention, the Plan shall be considered to supersede these Rules for that purpose alone.
7. Each elected Delegate shall be entitled to cast one vote at the National Convention, and the total vote permitted the State's delegation shall not exceed the number of its Delegates in attendance at the Convention.

8. Apportionment of Delegates

- a. At least 75% of the base number of Delegates, not including designated Party and Elected Official Delegates, shall be elected by Senatorial District Caucuses at the State Convention. The exact number (between 75% and 100%) to be so elected shall be determined by majority vote of the SDEC at its meeting in January of presidential years and shall be included in the official Call to the State Convention of that year.
- b. Such Delegates shall be apportioned among the 31 senatorial districts by a formula giving equal weight to: (a) the Democratic vote in the last gubernatorial election; and (b) the Democratic vote in the last presidential election. The formula may be stated mathematically as follows:

Let P equal a given district's percentage of the statewide Democratic vote in the last gubernatorial election, and let V equal that district's percentage of the total statewide vote for the Democratic nominee in the last presidential election (district vote/state vote).

$(P + V) \text{ divided by } 2 = \text{that district's percentage of the total number of Delegates to be elected by the senatorial districts, as opposed to the number to be elected at large.}$

- c. To apply the apportionment formula, multiply the resulting percentage times the total number of Delegates to be elected from all Senatorial District Caucuses. Assign each Senatorial District Caucus the whole number of Delegates resulting from this product. Assign remaining Delegates to Senatorial District Caucuses in descending order of fractional remainder, until all allocated Delegates have been assigned.
9. The remaining Delegates to the National Convention (between 0% and 25%) shall be elected at-large by majority vote of the State Convention as a whole. Such At-Large Delegates shall be nominated by the Convention's Permanent Nominations Committee for At-Large Delegates and/or from the floor, in accordance with these Rules.
 10. The explicit number of National Convention Delegates to be elected by each senatorial district and the explicit number to be elected at-large by the Convention according to the above procedures shall be announced by the State Chair and certified to the Secretary of State at least 30 days prior to the County and Senatorial District Conventions.

11. Process for Electing District Level Delegates

- a. The authorized representative of each presidential candidate eligible to elect delegates will notify the State Chair by thirty days before the state convention of the person who will be responsible for calling the presidential candidate's caucus to order in each senate district and holding an election of a presidential preference caucus chair. When filing these persons, the list shall include a cell phone and email that will be available during the state convention. This Person must be a delegate from the senate district caucus.

The elected caucus chair shall conduct the elections of that candidate's delegates that were awarded by the results of the presidential primary in each of the appropriate senate districts.
- b. Only delegates who register in support of a presidential candidate upon receiving their state convention credentials shall participate in the election of delegates for that

candidate within their senate district. Any delegate that registered for a presidential candidate or uncommitted status that was not allocated delegates by the primary may not participate in any selection of delegates for other candidates.

- c. The state chair will produce a ballot containing the names of filed candidates for national district level delegate for each presidential candidate eligible in the district.
- d. The ballot must contain a space for the delegate to sign and print their name. Any ballot cast without a signature or with an illegible signature shall be declared void.
- e. When a delegate is credentialed for the state convention, the delegate shall sign their name, their senate district, and list their presidential preference or uncommitted on their delegate credential. They will be given their ballot for presidential district delegate(s) if that presidential preference is eligible to select national delegates. The delegate shall sign and print their name on the ballot at time of credentialing.
- f. Ballots shall be collected at the senate district caucus and all ballots must be submitted no later than first adjournment of the caucus or 5:00 p.m. whichever comes first. Ballots may only be submitted to the person appointed by the presidential candidate's authorized representative for the senate district caucus. This authorized person for each presidential caucus shall supervise the counting of the ballots for their senate district with at least three other persons present. Vote counters do not have to be delegates. Results consisting of the names of the national delegates, their email and residence address and phone number shall be turned in to the state chair on reporting forms created by the state chair. The presidential candidate's representative and at least three witnesses present during the counting shall sign this report form. All report forms must be submitted promptly so that the Nominations Committee for At-Large Delegates and Alternates may begin their work at 8:00 a.m. Saturday.
- g. Ballots will contain instructions for voting based on the number of delegates allocated to the presidential candidate as certified by the state chair and the gender designation.
- h. A delegate shall vote for as many persons as are allocated to the presidential candidate in that district.
- i. The gender parity within each senate district shall be maintained to the largest extent possible
- j. If a presidential candidate is to elect an even number of national delegates, then the ballot shall be arranged so that those identifying as male and those identifying as female candidates are done in separate elections, with candidates listed in alphabetical order, and with the delegate voting for the same number of candidates for each gender.
 - (1) For electing two: "Instructions: Vote for one candidate for delegate identifying as male and one candidate for delegate identifying as female.. The highest vote total for the top person for each gender shall be elected."

- k.** The state executive committee shall conduct a drawing to determine the gender of the odd district delegate in any district with an odd number of delegates. The gender assigned to this odd delegate shall be mandated for the presidential candidate who had the most votes in the presidential primary for the senate district.
- l.** If every presidential candidate in the senate district is to elect only one national delegate, the delegates shall be elected in the following manner:
 - (1)** For the candidate with the highest vote total in the primary, the presidential caucus will elect their delegate of either gender. In this case, the ballot shall list all candidates identifying as male and candidates identifying as females together in alphabetical order. For electing one national delegate for the presidential candidate with the next highest vote total: "Instructions: Vote for one candidate for delegate. The person with the highest vote total shall be elected."
 - (2)** For electing one delegate for the presidential candidate with the next highest vote total in the primary, the delegates for that presidential candidate shall hold an election for both a person identifying as male and a person identifying as female delegate using a ballot with persons identifying as male and identifying as female candidates listed separately. The winner of the delegate seat shall be the person who identifies as the opposite gender of the national delegate for the presidential candidate in subsection (1).
